

How to Play "Quickity Pickity"

1 Quickly pick up fruits to make some nice sets! All with one hand.

2 Fruits of the same color, or shape, make a set. But, not if they have different expressions! Don't panic, but hurry!

3 Number of fruits in a set and Bonus Fruit scores change each round depending on the Marketplace Card.

Make sure to make a set of 4 or more

Green round fruits give bonus points so aim for those

4 When the 3 monkeys appear, stop! The thrill of not knowing when the round will end will have you quickly picking fruits!
